

The Ontario Police College is proud to host a Forensic Entomology workshop!  
Being held at The Ontario Police College

When: June 9-13, 2025

Where: Ontario Police College, 10716 Hacienda Rd, Aylmer, Ontario

Who is this for: Forensic Officers and Civilian crime scene Examiners, Coroners

How to register: contact Kerry DaCosta at [Kerry.Dacosta2@ontario.ca](mailto:Kerry.Dacosta2@ontario.ca)

OPC Facilitator: Tracey Bloomfield-McTavish email; [tracey.bloomfield-mctavish@ontario.ca](mailto:tracey.bloomfield-mctavish@ontario.ca)

Cost: To be determined

Spots available: 14

What to expect:

Dr. Leblanc, certified and well-respected Forensic Entomologist will lead the workshop. Students will learn how to recognize and identify valuable entomology specimens, learn how to properly collect, rear and preserve samples in multiple climates and environments. Entomology case studies will be presented, and practical scenarios for the students to actively participate.

This investigative tool is assisting at crime scenes to aid in determining time of death and providing valuable insight into developing a timeline for Investigators.
